Complete Assembly order Doering P/N: 1202210  
 Key Description & Doering Part Number

- Key 1 1202211 Doering Valve  
 Note: Valve is marked with Lot 2###-# representing Year & Month built.  
 1202211 Valve Shelf Life: 10 Years from Lot Code (Date).  
 1202211 Shall be replaced after 10 Years
- Key 3 1202728 Pressure Compensation Diaphragm, ± 1/2" Stroke  
 1202728 Diaphragm Shelf Life: 2 Years.  
 Visually inspect diaphragm after 2 years and every year thereafter.  
 Replace if there are visible signs of damage or wear.  
 Replace diaphragm after 5 years regardless of condition.  
 Note: P/N 1202728 is part number for Diaphragm only.  
 You may order 1202728 (Diaphragm Only) or 1202847 Kit.  
 P/N 1202847 Kit Includes: Diaphragm, Seat, Cap and bolts.
- Key 4 1202226 Doering Pilot Dome Assembly  
 1202226 Pilot Dome Assembly Shelf Life: 10 Years.  
 1202226 Shall be replaced after 10 Years
- Key 5 DCVHB-10-03 Superseded by DCV-N-10-N-03 Doering Check Valve  
 Replacement for DCVHB-10-03 is DCV-N-10-N-03 Doering Check Valve.  
 Note: Valve is marked with Lot 2###-# representing Year & Month built.  
 DCV-N-10-N-03 Check Valve Shelf Life: 10 Years from Lot Code (Date).  
 DCV-N-10-N-03 Shall be replaced after 10 Years from Lot Code (Date).
- Key 6 1202735 Plug, SAE 4  
 1202735 Plug Shelf Life: 10 Years.  
 1202735 Shall be replaced after 10 Years
- Key 8 1202122 O-Ring  
 1202122 O-Ring Shelf Life: 10 Years.  
 1202122 Shall be replaced after 10 Years

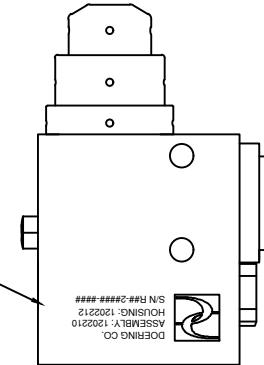

In addition, any components not specifically designated above could require replacement if physical damage occurs that may impair the valve function or if excessive corrosion is witnessed.
